MAY IN REVIEW

May was a month of growth and excitement at Az-Zahra School, marked by inspiring efforts, student milestones, and unforgettable school moments. Let's revisit some of the highlights!

PROGRAM PEMAKANAN SIHAT BERSAMA PEJABAT KESIHATAN DAERAH HULU LANGAT

Az-Zahra School welcomed nutritionist from the Pejabat Kesihatan Daerah Hulu Langat for a special Program Pemakanan Sihat aimed at educating our students on the importance of balanced nutrition and healthy lifestyle habits.

The session included engaging talks, interactive activities, and practical tips tailored for children — encouraging them to make better food choices both in school and at home. Students also had the opportunity to ask questions and reflect on their daily eating habits. This meaningful collaboration supports our ongoing efforts to promote well-being, awareness, and healthy routines in every child at Az-Zahra School.

AZS MINI HAJJ

Our young pilgrims at Az-Zahra School experienced a beautiful and meaningful Mini Hajj simulation, designed to help students understand the steps, spirit, and significance of this important pillar of Islam.

Dressed in ihram and guided through stations like Tawaf, Sa'i, and Wukuf at Arafah, students reflected on the values of patience, obedience, and unity. The atmosphere was filled with reverence and learning, giving our students a hands-on appreciation of the Hajj journey.

It was truly a memorable day that brought knowledge to life — and hearts closer to the essence of ibadah.

HAFAZAN STARS

At Az-Zahra School, we deeply value the memorisation of the Qur'an as a noble and lifelong journey. This special slot recognises students who have shown dedication, discipline, and love for Qur'an by successfully completing their hafazan syllabus. May their efforts be blessed, and may they continue to grow as Ahlul Qur'an — those who carry the Qur'an in both heart and character.
