APRIL IN REVIEW

Throughout the day, students showed remarkable bravery and cooperation. Many of them overcame their initial nervousness with the encouragement of their peers and the supportive presence of teachers and parents. The entire process went smoothly without disruption to the school schedule. We are proud of our students for their courage and thankful to all staff and parents who helped make this health programme a success.

YEAR 1 VACCINATION PROGRAMME

Az-Zahra School successfully carried out the Year 1 vaccination programme in collaboration with local health authorities. The initiative aimed to ensure our young students receive their scheduled immunisations in a safe, calm, and reassuring environment. The medical team worked efficiently and professionally, while teachers played a key role in preparing the students mentally and emotionally before the procedure.

HAFAZAN STARS

At Az-Zahra School, we deeply value the memorisation of the Qur'an as a noble and lifelong journey. This special slot recognises students who have shown dedication, discipline, and love for Qur'an by successfully completing their hafazan syllabus. May their efforts be blessed, and may they continue to grow as Ahlul Qur'an — those who carry the Qur'an in both heart and character.
