AZ-ZAHRA STUDENTS CULTIVATE READING AND ADAB WITH ASUH PROGRAM: JOM JADI BAIK

Az-Zahra School was delighted to host the Program Asuh: Jom Jadi Baik, an inspiring initiative by Majalah Asuh (Galeri Ilmu) aimed at nurturing positive character, discipline, and values among students. The program engaged students through interactive activities and meaningful sharing sessions designed to instill good habits both in and outside the classroom.

Students were encouraged to develop a love for reading through stories and motivational articles. Reading not only enriches knowledge but also shapes thinking, strengthens language skills, and inspires students to become lifelong learners.

A special talk on adab (good manners) reminded students of the importance of respect, discipline, and kindness in daily life. Through real-life examples and stories, students learned how practicing good adab can make them better individuals and role models in their families and communities.

ACADEMIC EXCELLENCE IN ACTION: MID-TERM EXAMS & PSRA PREP

The month of July marked an important phase of academic growth at Az-Zahra Primary Islamic Integrated School, as our students engaged in both school-based assessments and intensive exam preparation.

MID-TERM EXAMINATION & CLASSROOM BASED ASSESSMENT (PBD)

Held from 21st to 25th July 2025, the Mid-Term Examinations and PBD assessments provided our students with the opportunity to demonstrate their learning progress, discipline, and consistency across various subjects. These assessments also serve as an important checkpoint for teachers and parents to identify areas of strength and those that require further support—ensuring that every child continues to grow holistically.

PSRA WORKSHOP (BTMS)

On 26th July 2025, our PSRA candidates attended the Bengkel Teknik Menjawab Soalan PSRA in Shah Alam. The workshop equipped them with effective answering strategies, time management techniques, and hands-on practice with past-year papers—all vital in building confidence as they prepare for the Penilaian Sekolah Rendah Agama (PSRA) examination.
