OCTOBER 2025

HIGHLIGHTS

STEM MONTH 2025: TERRABOY — DEFENDER OF EARTH

STEM Month 2025 at Az-Zahra School was a vibrant and inspiring celebration of science, creativity, and environmental responsibility. Guided by this year's theme, "TerraBoy — Defender of Earth," students were encouraged to explore the wonders of STEM while understanding their role in protecting the planet. The entire month was filled with energy, excitement, and meaningful learning experiences that strengthened curiosity and innovation.

From dramatic launches to hands-on challenges, exhibitions, and an educational trip, every activity brought students closer to real-world scientific concepts and global issues. STEM Month not only built knowledge and problem-solving skills, but also nurtured teamwork, confidence, and environmental awareness — capturing the true spirit of TerraBoy's mission: to inspire young protectors of the Earth.

HIGHLIGHTS

STEM MONTH 2025 LAUNCHING CEREMONY: TERRABOY TAKES THE STAGE

STEM Month 2025 began with an unforgettable Launching Ceremony introducing TerraBoy — Defender of Earth, the school's eco-hero mascot. The hall came alive with dramatic lighting, music, and a special gimmick skit featuring TerraBoy saving the Earth from destruction. This theatrical opening instantly captured the students' imagination and set the stage for a month centered on science, creativity, and environmental responsibility.

The moment became even more thrilling with the volcano launch gimmick, officiated by Senior Assistant of Student Affairs, Teacher Nadiah, marking the official start of the celebration.

Students were then introduced to the three mascots — TerraBoy, Supermind, and Flora — followed by the lively TerraBoy theme song and tagline chant. The ceremony wrapped up with a quick introduction of the month's key activities, setting a fun and inspiring tone for STEM Month 2025.

HIGHLIGHTS

STEM MONTH 2025 COMPETITIONS: LEARNING THROUGH ACTION

Students took part in a series of hands-on and engaging STEM challenges throughout the month. City Rescue Mission pushed them to solve real-life environmental problems under time pressure, while Quake-Proof Tower encouraged creativity and engineering skills as they designed sturdy structures using limited materials.

The Heroes of Faith activity allowed students to express values and storytelling through the theme of protecting the Earth.

Meanwhile, Comic Rescue Journey gave students a creative outlet to design comic scenes featuring TerraBoy and friends, combining art, imagination, and environmental messages.

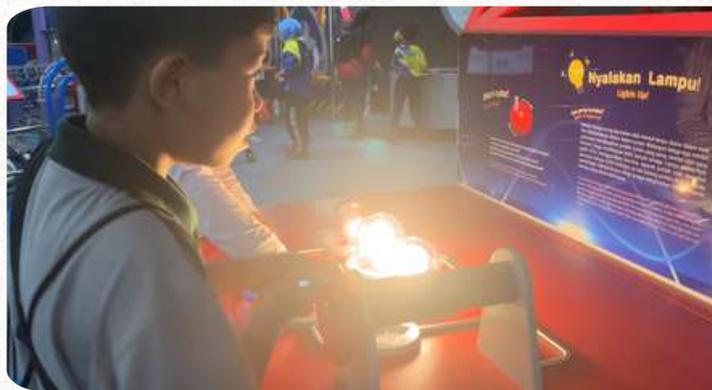

Together, these competitions strengthened teamwork, problem-solving, and confidence — all aligned with TerraBoy's mission to inspire young Earth defenders.

HIGHLIGHTS

STEM MONTH 2025 ACTIVITIES: EXPLORATION AND DISCOVERY

Students had the opportunity to explore science beyond the classroom through two exciting activities. The STEM Heroes Fair transformed the hall into a lively exhibition space where students showcased experiments, models, and interactive demonstrations. Year 6 pupils led their booths confidently, sharing scientific concepts with younger students.

The Planet Protectors Trip to Pusat Sains Negara was another highlight, offering hands-on learning through immersive exhibits and environmental displays. Students explored themes of sustainability, innovation, and Earth protection — reinforcing TerraBoy’s message that every student can be a hero for the planet.

HIGHLIGHTS

STEM MONTH 2025 CLOSING CEREMONY: CELEBRATING YOUNG EARTH DEFENDERS

STEM Month 2025 concluded with a vibrant Closing Ceremony celebrating the creativity, teamwork, and enthusiasm shown by students throughout the month. A key highlight was the Heroes of Faith Final Round, where the top finalists delivered inspiring performances that reflected courage, values, and the spirit of protecting the Earth.

Congratulations to the winners of the Heroes of Faith Final Round, with Afrah Sholehah Muhammad Aizat securing First Place, followed by Wan Aira Wan Ahmad in Second Place, and Nedhreen Mikayla Mohd Fakhrudin in Third Place. Their outstanding performances truly embodied the values and spirit of TerraBoy's mission.

The ceremony continued with the prize-giving session, recognising winners from all STEM Month competitions. The event wrapped up with a reminder for students to continue carrying TerraBoy's mission — to protect the Earth with knowledge, responsibility, and a strong heart.

OCTOBER IN REVIEW

October at Az-Zahra School was a month filled with energy, creativity, and joyful learning. From hands-on activities to special programs and school-wide celebrations, students had many opportunities to explore new skills, build confidence, and strengthen their bonds with one another. Each event reminded us of the importance of growth, teamwork, and positive character. Here's a look at the memorable moments that made October truly special at Az-Zahra School!

GEARING UP FOR UPKK 2025: STRENGTH, PREPARATION & CONFIDENCE

As UPKK 2025 approaches, Az-Zahra School has been preparing students through targeted activities such as answering-technique workshops, Qur'an assessments, and mock exams. These efforts strengthened their understanding, boosted confidence, and nurtured calmness and tawakkal, ensuring our candidates are ready to face the upcoming UPKK examination with clarity and determination.

BENKEL TEKNIK MENJAWAB SOALAN (BTMS) UPKK

To enhance exam readiness, students attended the Bengkel Teknik Menjawab Soalan (BTMS) where they learned key techniques for analysing and answering UPKK questions effectively. The workshop emphasised common question formats, time management strategies, and important answering tips to help students maximise their marks. It was an interactive session that strengthened their exam confidence.

OCTOBER IN REVIEW

UJIAN TILAWAH & HAFAZAN UPKK

Students also completed their Ujian Tilawah & Hafazan, which assessed tajwid accuracy, recitation fluency, and memorisation of selected surah. Throughout the session, students demonstrated calm focus and sincere effort, reflecting their dedication to the Qur'an. This evaluation served as both a spiritual and academic preparation for UPKK.

TRIAL UPKK

To further strengthen exam readiness, students later sat for the Trial UPKK, which simulated the actual examination environment. This assessment gave students hands-on experience in time management and exam discipline, while providing valuable insight into their strengths and areas requiring improvement. The trial played an essential role in building confidence and reducing exam-related anxiety.

SPORT STARS DAY 2025: INSPIRING TALK BY PN. HASNIDA HANIM

As part of Sport Stars Day 2025, students attended an inspiring talk by Pn. Hasnida Hanim, a former SUKMA silat athlete known for her discipline, strength, and dedication to sports. Her presence brought excitement and credibility to the session, giving students the chance to learn from someone with real competitive experience.

Her talk focused on the importance of staying active, developing confidence, and building strong character through sports. She also shared practical tips on healthy habits, teamwork, and maintaining a positive attitude both on and off the field. Her warm delivery and relatable experiences made the session engaging and motivating, encouraging students to embrace an active and balanced lifestyle.

The talk served as a meaningful reminder that sports are not just about performance, but also about discipline, resilience, and personal growth.

AZ-ZAHRA PICTURE DAY 2025: CAPTURING MEMORIES, CELEBRATING MILESTONES

Az-Zahra School recently held its annual Picture Day, a special event where students captured meaningful moments with their classmates and teachers. Each class took their official class photo, creating beautiful keepsakes that will be treasured for years to come.

The day was especially memorable for our graduating students, who also took their official graduation photos in full attire. Their bright smiles and confident poses reflected pride, achievement, and excitement for the journey ahead.

Picture Day served as a wonderful reminder that every year brings new memories, growth, and milestones — all worth preserving and celebrating as part of the Az-Zahra family.

AZ-ZAHRA SCHOOL TAEKWONDO TOURNAMENT 2025: STRENGTH, DISCIPLINE & SPORTSMANSHIP

Az-Zahra School recently held its exciting Taekwondo Tournament 2025, bringing together students to showcase their skills, discipline, and determination. The tournament provided a platform for young athletes to demonstrate the techniques they've learned throughout their training, from basic forms to sparring and self-defence movements.

Judges observed students' performance in areas such as accuracy, control, power, and respect — values that stand at the heart of Taekwondo.

The event highlighted more than just physical skill; it celebrated sportsmanship, perseverance, and mental strength. Students cheered for their friends, supported one another, and carried themselves with discipline and honour from beginning to end.

Az-Zahra School is proud of all participants for giving their best. The tournament served as a meaningful reminder that true strength comes not only from technique, but from character, effort, and a positive spirit.

HAFAZAN STARS

At Az-Zahra School, we deeply value the memorisation of the Qur'an as a noble and lifelong journey. This special slot recognises students who have shown dedication, discipline, and love for Qur'an by successfully completing their hafazan syllabus. May their efforts be blessed, and may they continue to grow as Ahlul Qur'an — those who carry the Qur'an in both heart and character.

IMPORTANT REMINDERS

KEEP YOUR CLASSROOM CLEAN

Dispose of rubbish properly, keep your desk tidy, and help maintain a comfortable learning space for everyone.

LISTEN ATTENTIVELY

Pay attention when teachers or classmates are speaking. Listening well helps you understand better and shows respect.

RESPECT SCHOOL PROPERTY

Handle books, equipment, and facilities with care. Take pride in your school environment.

GOOD HABITS
TODAY SHAPE A
BETTER
TOMORROW.

MOVE SAFELY

Walk—not run—along corridors, staircases, and during transitions. Safety comes first at all times.

BE READY TO LEARN

Bring your books, stationery, and materials every day. Being prepared helps you start each lesson with confidence.

FOLLOW INSTRUCTIONS

Listen carefully and follow directions the first time. It helps lessons run smoothly and keeps everyone safe.

LOVE OUR PLANET, PROTECTING NATURE

What is?

SUSTAINABILITY

TAKING CARE OF OUR WORLD AND THE RESOURCES WE HAVE SO THAT WE CAN USE THEM FOR A LONG TIME.

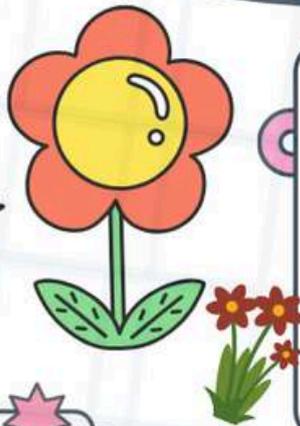

How?

Conserve energy

Start a home garden

Walk or carpool to get to school or office

Reduce
Reuse
Recycle

Sort & recycle waste

Reduce paper products by using digital communication
